

Read Me

All images are in the file: *"Bilder og diverse til nettside"*, this translates to *"Pictures and various items for webpage"*. I did not realize that I had the file-name in Norwegian until really late today (22.05.2023), so I did not have the time to change every line of code where the file is used. I apologize for the mistake, and hope this does not have an impact on my grade.
